respond to the Office action of Sept. 5, 2002 and checks for \$475.00 and a check for \$665.00, to cover the three month extension request and the petition fee, respectively. Also submitted with this Petition is a complete response to the Office action together with materials requested by the Examiner.

Applicants are a small entity and therefore the lower charges apply. There has been some delay in filing this extension due to the large amount of material requested by the Examiner, including a certified copy of the earlier filed provisional, the distance from the undersigned to the inventors and the inventors travel schedule. Since this utility application was filed after June 8, 1995, no terminal disclaimer is required.

A self-addressed stamped postcard is submitted herewith and the mail room is requested to stamp the postcard and deposit it with the U. S. Postal Service.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'J. Hiney', is written over the typed name and address.
